High-resolution photos are needed of the structure, before (if available, these are very helpful to the jury to see what work was actually done) and after the work. These photos should be high quality to clearly show the owner's efforts.

A maximum of 8 before and after photos are requested, and a separate listing of descriptions or captions, with the photo file name indicated for each description.

Nomination submitted by      First Name \_\_\_\_\_ Last Name \_\_\_\_\_  
Address                              Street Address \_\_\_\_\_  
   Street Address Line 2 \_\_\_\_\_  
   City \_\_\_\_\_ State \_\_\_\_\_
