#### MISSION

*The La Jolla Historical Society inspires and empowers the community to make La Jolla's diverse past a relevant part of contemporary life.*

#### VISION

*The La Jolla Historical Society looks toward the future while celebrating the past. We preserve and share La Jolla's distinctive sense of place and encourage quality in the urban built environment. The Society serves as a thriving community resource and gathering place where residents and visitors explore history, art, ideas and culture.*

The poster features a dark purple background with a light purple tree graphic in the center. The tree's canopy is a light purple circle containing the text 'BUILDING ROOTS' and 'UNCOVERING SAN DIEGO'S ARCHITECTURAL HISTORY'. The trunk and roots of the tree are white lines forming a stylized architectural floor plan. Above the tree, the text 'PechaKucha Night™' is written in a white script font, followed by '20 X 20' in a large white font, and 'IMAGES SECONDS' in a smaller white font. Below this, it says 'THE SAN DIEGO ARCHITECTURAL FOUNDATION & THE LA JOLLA HISTORICAL SOCIETY PRESENT'. The date '8/25' and time '7PM' are displayed in large white font on either side of the tree. At the bottom, there is a circular logo for 'AUTHORIZED CITY PechaKucha 20x20 IMAGES SECONDS PechaKucha.org'. Below the logo, the text 'LA JOLLA HISTORICAL SOCIETY 780 PROSPECT ST. WISTERIA COTTAGE LAWN' is written in white. At the very bottom, there are logos for 'SDF SAN DIEGO ARCHITECTURAL FOUNDATION', 'LA JOLLA HISTORICAL SOCIETY', and the word 'PRIZE' in white.

### Upcoming Exhibition

The La Jolla  
Historical  
Society and

the Museum of Contemporary Art San Diego present Irving J. Gill: Illustrating New Architecture, a collaborative exhibition of renderings as a study in the master architect's perspective presentation of building design and the integration of architecture in the landscape. In addition to plan and elevation drawings, Gill's professional practice included hand-drawn sketches and watercolor renderings, often with a mixed color palate. These renderings reveal the artistic, design, and technical skills of the modern architectural master, and Gill's interest in architecture's relationship to the surrounding natural and designed landscape. Drawn from the archives at the University of California, Santa Barbara Art, Design and Architecture Museum and from the San Diego History Center, these renderings are exhibited for the first time as a group presentation.

Funding for this exhibition generously provided by Willis Allen Real Estate, ArtWorks San Diego, IS Architecture, the Zamorano Club, Laura DuCharme Conboy and Garth Conboy, Margie Warner and John H. Warner Jr., and Robert, Pascale, and Sara Bauer.

**At the La Jolla Historical Society Wisteria Cottage galleries, the exhibition opens September 24, 2016 and runs through January 22, 2017. Wisteria Cottage is located at 780**

Prospect Street in La Jolla. Public hours are Thursday - Sunday, 12:00 noon - 4:00pm. Admission is free.

This exhibition is part of Irving J. Gill: New Architecture for a Great Country, a collaborative project of exhibitions, tours, and programs by thirteen Southern California cultural organizations.
